

Fee's and Charges

Our fees scales are reviewed annually and our current fees for this year are shown below.

We no longer require you to pay a deposit for your child at the time of registration. Instead we will issue your initial invoice in advance, upon you signing the registration forms and agreeing your hours/days of attendance. This should be paid promptly please.

Going forward fee invoices will be issued in advance for the following month and we require payment by the 25th of the month of issue.

Any fees not paid by the 25th of the relevant month will be carried forward to the next month's invoice and interest will be charged, this currently standing at 10% (subject to change).

We only accept online BACS payments or cash paid at the setting. Our bank details are shown on your invoices.

We regret that we have to charge you even when your child is absent through illness or personal holidays as we have to maintain statutory levels of staffing ratio's.

If you wish to withdraw your child from Nursery or make changes to their hours or days, 20 working days' notice is required.
